

THE HOUSTON SEMINAR

Dear Interested HS Travelers,

We are very pleased to offer this exciting opportunity to visit the *Cities of Silver: Santiago de Querétaro, San Miguel de Allende and Guanajuato*. The October weather should be ideal for our visit, ranging from 70s during the day, dropping to the 50s at night.

The three cities are UNESCO World Heritage sites, and we will be based in hotels in the historic centers. If you would like to extend a hotel reservation, please let the Houston Seminar make the reservation for you to avoid confusion.
